

BALLET ARTS STUDIO

TUITION INFORMATION

Ballet Arts Studio tuition is based on an approximate 39 week calendar year. The number of classes for each class during each quarter, and during the year, will vary depending on the calendar and school vacation days. Students must re-register each year. The annual non-refundable registration fee is \$ 25.00 per family.

Both the registration fee and tuition are due prior to the start of classes. For convenience only, the annual tuition may be paid in four installments (listed below), about every eight or nine weeks. Cash, check and credit cards accepted. Using the installment plan does not mean that there will be eight or nine classes during each installment period. There is a \$15 late fee for tuition more than ten days late. Students may not be permitted to enter a class unless tuition is paid. The Dutchess Dance Company, special events, master classes, and all performances are charged separately.
