

## **PRIVATE LESSONS AT THE STUDIO**

Private and semi-private lessons are available in any of the following dance disciplines: ballet/pointe, modern, jazz, theater dance, hip hop and tap. Private lessons are \$90 per hour. An hour long semi-private lesson is two dancers and is \$45 per dancer. All fees are payable by cash, check, credit card or ACH in your registration portal and must be made at least 24 hours before the scheduled lesson; otherwise the private lesson cannot occur.

Private and semi-private lessons provide an excellent opportunity for our professional and experienced faculty to focus solely on your dancer and provide them with individualized feedback on technique and creative expression.
